# CLEANING EXCELLENCE DAYS

JOIN US!

SEPTEMBER 26  
NOVEMBER 14  
and more!

# WHY VISIT US?

Over 500m<sup>2</sup> at your disposal for customized tests and trials:

- Fully running equipment with “as installed” utilities and finishing, including purified water loop
- Features and flexibility handy for your better understanding and selection
- Riboflavin, coverage, rinse, microbiological tests to verify your specific application and material

Your challenges are our challenges:

- Bring to the table all your variables and goals, technical department is yours for one day!
- Join the experts in reviewing your specific needs and critical issues, URS with no filter
- Experience live the brainstorming and trials that sit behind an idea

1

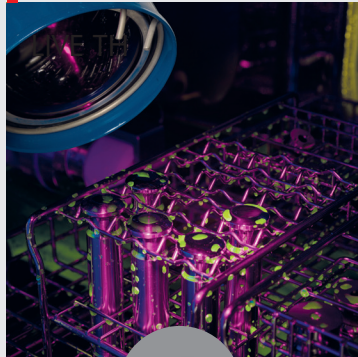

LIVE THE  
**IWT**  
360° EXPERIENCE

We are at your side from order to shipment, passing through design, manufacturing and validation:

- Project management and 3D designing
- Lean manufacturing, QA and internal commissioning
- Full parts traceability and documentation development
- Factory acceptance tests and challenging endurance trials

TOUCH & TEST  
YOUR  
EQUIPMENT

2

BEST PRACTICE  
WITH  
YOUR EQUIPMENT

Personalized trainings to get the most out of your equipment:

- Basics and fundamentals of the cleaning, better understanding for better results
- Specific programs for operator, supervisor and service teams
- Maintenance at every level, prevention is better than cure
